2017

We hope that you and your family enjoyed a wonderful Christmas season. Carafe is starting off 2017, with our annual Happy New Year Sale! In addition to our monthly Featured Wines, we are excited to be offering a unique collection of special edition wines for you to add to your wine cellar. Thank you so much for your continuing support. Happy New Year from all of us, *Dana, Barry, Marlon*

Carafe Featured Wines

Each month, Carafe features both a Red and a White six week wine at **\$10.00 OFF** each 23 Litre batch.

FEBRUARY 2017

Cabernet Merlot - intense fruit and spice flavours and aromatics. Notes of currant, cherry and plum are backed by hints of black pepper, anise and coffee. Oaking nicely mellows the tannins and adds a suggestion of toastiness.

Chardonnay - Green apple, citrus, and tropical fruit aromas, lead into light citrus and peach flavours, with soft vanilla oak, and a creamy finish.

MARCH 2017

Cabernet / Sauvignon - Dark and rich, with soft, plush tannins and layers of bright berry fruit and spice. Deep blackberry character with raspberry, cherry, cassis, and vanilla. Subtle traces of savoury spice..

Gewurztraminer - A powerhouse of lychee, mango, grapefruit, honey and spice. Off-dry with a lovely, lingering final impression. Enjoy young and racy or age longer for a more refined profile. Lightly chill and enjoy with most Asian foods.

We have a few of some very exciting wines still available from this year's limited editions. They include:

- Passport French Syrah
- Passport Australian Riesling
- Passport Sicilian Nero D'Avola
- Passport Australian Kookaberra Red

A little left over?

Do you sometimes have a bit of wine left over in a bottle that is not enough to worry about preserving?

Simply pour the wine into an ice cube tray and put in your freezer. Use the cubes to add to your special sauces.
